

Full-scope, fully supported, built for the long run.

Practice the medicine you trained for with the support to grow and sustain your career.

At Women's Healthcare Associates, LLC (WHA), our patients are our people. Across 12 clinic locations and six hospitals in the Portland metro region, we care for more than 50,000 individuals each year through every stage of life. We're Oregon's largest independent women's health group—and we're 100% clinician-owned.

Why Physicians Choose WHA

You're never on your own

Real-time physician backup is built into how we practice. Whether you're in the OR, clinic, or managing complex decisions, support is expected—not exceptional.

Full-scope practice, supported by state law

Oregon supports access to the full spectrum of OB/GYN care—including abortion, miscarriage management, and complex family planning—so you can practice evidence-based medicine aligned with your training and clinical judgment.

Shape your practice over time

Flexible clinic templates and scheduling allow you to build a

practice that reflects your clinical interests while continuing to grow and refine your skills.

A model designed for longevity

Collaborative call structures and team-based care support both excellent outcomes and long-term physician sustainability.

A culture that shows up

Work in an environment where colleagues back each other up, relationships matter, and shared responsibility is part of the everyday experience.

Professional Support That Grows With You

- Real-time consult access from experienced colleagues
- OR and clinical partnership when you want a second set of eyes
- Opportunities for mentorship, collaboration, and peer connection
- A culture where asking for input is expected—not a sign of weakness

Support at WHA is built into how we practice—at every stage of your career.

What You'll Find Here

- A clinician-owned model where your voice matters
- Strong, collaborative physician teams
- Stable, experienced clinical staff
- Meaningful relationships with patients across life stages

What We Offer

- 4-day work week with flexible FTE options
- Competitive private-practice compensation
- Ownership eligibility after 3 years
- CME, malpractice coverage, parental leave, and generous 401(k) contribution
- Dedicated surgical block time

What You Bring

- MD or DO from an accredited program
- Completion of ACGME OB/GYN residency
- Board eligible or board certified in OB/GYN
- Eligibility for Oregon licensure
- DEA and hospital privileging eligibility

Let's Connect

Whether you're early in your career or looking for a practice that better supports how you want to work, we'd love to connect.
